Following 20th episode of “*Bhairavi and Yantra*” towards Maha Kumbhabhisekam of Panching Gua Charas Jalalingeswarar Shivan temple, with good intention and thoughts for all devotees, the following write-up is prepared.

As discussed in the previous 20th episode, we looked at the details of *Bhairavi and Yantra*. Quote “The name Bhairavi means “*Terror*” or “*awe-inspiring*”. She is the fifth of ten Mahavidyas. She is also called *Tripurabhairavi*. “Tri” means three, “Pura” means fortress, castle, city, town, etc. **Tripura** convey **three** different **stages of consciousness** i.e. **active, dream and deep sleep**. She is in the form of all triads and once these triads are transcended, the Brahman is attained. In other words, once we **have her grace, we can realize Shiva consciousness**”, Unquote.
